your children.

your particular need. We provide a helping
hand to those young and old alike.

or situation. Our very kind volunteers will

Northmont Friends In Service for Humanity Creed

Have you ever thought of how it would feel to be
needy, and how you would feel if you had to ask
for help?

Have you ever looked at a person who was down
and out and thought of the courage it took to
come to the food pantry?

Have you thought to yourself of the dreams that
went astray, of the hard real facts of their every
day situations?

Have you thought to yourself, "It could be me" if
the good things in life had passed me by?

Did you make them feel ashamed
or did you reach out to them?

May God give us wisdom, compassion,
and love to be kind to those in our
community who ask for help from
Northmont Friends In Service for Humanity.

NORTHMONT FISH IS YOUR GOOD NEIGHBOR

Northmont FISH consists of ordinary,
everyday people who want to help you. FISH
volunteers offer their time and services free
of charge, in the spirit of the "Golden Rule".

We have chosen the ancient religious
symbol Ichthus, the fish, as a sign of fulfilling
God's commandment to "Love Thy Neighbor".

Membership of Northmont FISH is inter-
denominational. Volunteers are asked only to
show their concern for their neighbor in need,
by providing these free services.

If you are interested in becoming a FISH
volunteer please call or contact us by mail.
