DESCRIBE WHAT HAPPENED
REFER TO UNITS BY NUMBER

The driver of unit two stated she was west bound on Meijer North Dr, approaching Main St, when a Semi that was on the private drive heading north backed up and struck her rear bumper.

The driver of unit one stated he was stopped in traffic, traveling north on the Meijer private drive. He stated he never backed up and did not strike anyone.

I checked with dispatch to see if we had a camera angle on the City of Englewood camera system that captured the incident, but there wasn't. I also contacted AP detective, Jason Hoke and asked if they had any cameras in that area, but he advised they did not.

I observed minor damage on the right rear bumper. There was old damage as well, which was pointed out by the driver of unit two. It was a large dent, but the new damage was two scrapes in the paint.

I could not find any damage on Unit one, but it was an all steel back end.
