DESCRIBE WHAT HAPPENED
REFER TO UNITS BY NUMBER

Unit one was in the left lane to make a left turn out of 885 Union (Kroger) parking lot when it began to merge into the right turn lane out of Kroger to make a right turn, striking unit two. Unit two was in the right turn lane to turn right out of Kroger parking lot when unit one hit it. Due to the length of time between when the crash occurred and when this crash report was generated, it is unknown where the damage on unit one is.

Crash was originally brought to my attention on November 22, 2021, while I was at Kroger parking lot on another call. While I was with the drivers of Unit one (Ilse Deutscher) and unit two (Lawrence Wilson), both drivers agreed to exchange insurance information and stated that they did not want a crash report done. The crash report is now being made because Lawrence Wilson's insurance company requested it and because Ilse Deutscher is denying the accident occurred. On 01/14/2022, I attempted to make contact with Ilse, but she was either not home or chose not to answer the door.
